

Songs were eligible for the Tune of the Year vote if they finished in the top 3 in one of the weekly votes. Facebook authentication was used to ensure no one person voted more than once. The number of points each track gained from a voter equaled the number of tracks that voter voted for. Instructions required that voters vote for at least 3 distinct tunes. Here are the voting results.

In January, you will be able to click [here](#) for the tracklist, release details, and Beatport & iTunes links for the 202 UpOnly Orchestral Trance Year Mix.
