

Songs were eligible for the Tune of the Year vote if they finished in the top 3 in one of the weekly votes (or top 5 if vocal, because almost half of all episodes are all instrumental). The poll app's authentication was used to ensure no one person voted more than once; the votes of repeat IP addresses were consolidated. The number of points each track gained from a voter equaled the number of tracks that voter voted for. Instructions required that voters vote for at least 3 distinct tunes. Here are the voting results.

Eventually, you will be able to click here for the tracklist, release details, and Beatport & iTunes links for the UpOnly Orchestral Trance Year Mix.
